- ✓ A Keyword Manager to organise keyword responses (e.g. YES, RSVP, UPDATE, etc.)
- ✓ Save pre-defined SMS messages as templates for easy access.
- ✓ Full sending history, error and reply reports (exportable to spreadsheet with filters and sorting).
- ✓ Flexible and maintainable Address Book.
- ✓ Import contacts from a spreadsheet.
- ✓ Automatic Ban-List control (reply STOP to opt out).

PRICES

We will most probably beat any written quotation. Contact us for special rates. See our website for Terms and Conditions.

Choose a payment option that suits your needs: the subscription option allows you to pay for your SMS usage in arrears with debit order and the pre-paid option allows you to purchase SMS credits as and when you need them (much like you would buy airtime for your pre-paid mobile device). SMS credits never expire. *All prices excl. VAT.*
